

# BEAUTY

Beauty is charm, every one Wants...!  
Beauty is truth, every one Accepts....!

Our ingress into the Universe is naked and bare..!  
But.....!!! Very much transparent one..!  
As the time elapsed.....!  
The Beauty enhanced OR demolished.

Like Life ....Beauty is short lived too...!!  
A hard tragedy and a bitter reality.....!  
Can we maintain it in its original shape...?  
Perhaps.....!!!Never....!

Youth is the time ...!  
Where the seeds of character are sow...!  
How Calm and Cool.....!  
We can pass our advance old age..!  
Under this tree of Character.....!

If you want to be praised by Allah...!!!  
Equilibrium should always be maintained..!  
Between Inner and Outer Beauty of Mankind..!  
But..!

Outer Beauty is Perishable unlike the Inner Beauty...!

Beauty is Charm, every one Wants...!  
Beauty is truth, every one Accepts...!
