

Dear Friend

Dear Friend,

*Life is seasons of happiness and sorrows,
ups and downs
worries and delights
defeats and successes.*

*Both running parallel like the cold,
Grey metallic railway track out,
always together,*

*Just as her thought must be with us
In high wind and cold weather*

*For life is a journey of gains and losses,
whether we are alone or*

Always together !

(Sohail Ahmad, Loun)
