

## DONOT THINK SO MUCH

Don't be indifferent from the reality,  
Don't cribbed your personality in your own,  
Come-Out and ponder it Over,

It's always happens, what to be happened,  
Then what would you get by thinking,

Wish is Ours right  
and to reveals Our wishes...  
is Ours right too.  
Then what would you get by thinking.  
As, we can't escape from the reality,  
Then...

Need not to be worried!  
Need not to be affraid!

„DONOT THINK SO MUCH,,

Let me give tongue to my emotions,  
Let my feelings reveal to you.

Don't think so much,  
Nothing will be happened,  
If something happens,

You are to endure and bare,  
As, we can't change the fate, Luck and destiny.

So,  
„Don't think so much,,  
„Don't think so much,,
