

# INVOKE

The Seven Heavens layers upon layers  
Far and fawn less  
Galaxy within the Galaxy  
Cosmic Order and meaning of Life  
All awaiting that big event  
The new interpretation of history  
Clear and not surrounded in any Mystery

Bloom and Decay  
What are they?  
Who will Clearly Say?  
All Contained in that Universal Message!  
So,

Bow before him  
Stand up and pray  
The Message to entire humanity  
Breaking the Shades of ignorance, insanity of tyranny  
And Oppression of Ugly prides and misplaced Vanity.  
To define relationship between God and Man  
To what he can't and .....  
What he Can  
Freezing Man's Soul and Body  
To all time Evil, it will put a Ban
