

# WISH

A hidden thing  
Turn into passions  
From...the feelings and emotions..!

Always remain ready to overcome..,  
Often breaks by the environments..!

Sluggishly .....!!  
How a dejected and deceived man....!  
Tends to die...!!!

Oh ...!  
A horrible and miserable cry.....!!!  
But..!  
Having no listeners around..,  
It buried in the Grave of Time....,

Perhaps.....!

NEVER to rise again..!
